#### **Corporate Profile**

Xtreme Coil develops and applies leading-edge patented and patent-related technology and designs to build, transport, and operate new Coil Over Top Drive® (“COTD®”) drilling rigs. In addition to contracts negotiated in the United States of America, the the Kingdom of Saudi Arabia and the United Mexican States, Xtreme Coil markets proprietary, dual-purpose drilling rigs to existing customers and to other international operating regions. Xtreme Coil drills with larger coil and conventional drill pipe to reach hydrocarbons in deeper horizons. Including the most recent re-entry rig design, the XTC 200DTR<sup>PLUS</sup>, Xtreme Coil’s fit-for-purpose rigs feature high capacity injectors as well as innovative handling of conventional pipe and coiled tubing, modular transportation systems and operating methods for achieving deeper, faster and safer drilling. Xtreme Coil’s common shares trade on the TSX under the symbol “XDC”.
